

Sol Cuisine Launches Full Product Listing on Vejii E-Commerce Platform

10/20/2021

- *Vejii's objective is to become the world's largest online vegan marketplace, and is rapidly becoming a premier source for Canadian consumers looking for vegan certified products.*

MISSISSAUGA, ON, Oct. 19, 2021 /CNW/ - [Sol Cuisine Ltd.](#) ("Sol Cuisine" or the "Company") (TSXV: VEG) a growth-oriented North American plant-based protein leader, today announced that it has launched the full suite of Sol Cuisine burgers, appetizers and entrees on ca.shopvejii.com, one of Canada's premier e-commerce platforms for vegan certified products. Vejii has committed to an awareness program to encourage its shoppers to try Sol Cuisine products.

John Flanagan, CEO of Sol Cuisine commented, "Vejii is an ideal distribution partner for Sol Cuisine in the E-commerce channel, with a shared vision of proactively expanding the availability of vegan food options in North America, and growing recognition amongst key consumer demographics. We look forward to continue building the relationship and are confident that as more and more Vejii customers try Sol Cuisine products, we will continue to grow e-commerce sales, which is one of the Company's key focuses over the next 12 months."

About Sol Cuisine Ltd.

Sol Cuisine is the publicly traded parent company of Sol Cuisine Inc. following the completion of its "qualifying transaction" on May 19, 2021. Sol Cuisine is a fast-growing producer of branded and private label, consumer-preferred plant-based protein offerings across key center-of-plate and appetizer categories. The Company's products are offered through an established omni-channel distribution platform in Canada, the U.S. and Mexico, and are available in over 11,000 stores and more than 41,000 unique points of distribution across four primary channels: Canada Retail Sales & Club; U.S. Retail Sales & Club; Food Service & Industrial; and Private Label. Over a history of 20+ years, Sol Cuisine has consistently demonstrated an ability to innovate and delight consumers in Canada and the U.S., while remaining true to its commitment to producing great tasting products that are nutritionally superior both to meat-based offerings and to competitive plant-based products. This commitment has resulted in several Canadian product wins, including the #1 frozen plant-based burger in Canada, the #1 consumer-preferred chicken alternative and the #1 quality roast product as determined by Whole Foods Market. The Company's taste and nutritional superiority has also resulted in private label contracts with some of the most recognized natural brands in North America. These products are all produced at Sol Cuisine's two state of the art facilities,

totaling 35,000 square foot facility in Mississauga, Ontario, capable of supporting up to 10 million kilograms of volume per annum.

Forward Looking Statements

This press release includes forward-looking information within the meaning of Canadian securities laws regarding the Company and its business. Often but not always, forward-looking information can be identified by the use of words such as "expect", "intends", "anticipated", "believes" or variations (including negative variations) of such words and phrases, or state that certain actions, events or results "may", "could", "would" or "will" be taken, occur or be achieved. Such statements are based on the current expectations and views of future events of the management of each entity, and are based on assumptions and subject to risks and uncertainties. Although the management believes that the assumptions underlying these statements are reasonable, they may prove to be incorrect. The forward-looking events and circumstances discussed in this press release may not occur and could differ materially as a result of known and unknown risk factors and uncertainties affecting the company, including risks regarding the size of the industry, the growth of the market for the Company's products, the rate and quantity of production at the Company's facilities, market conditions, economic factors, management's ability to manage and to operate the business of the Company and the equity markets generally. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on any forward-looking statements or information. No forward-looking statement can be guaranteed. Except as required by applicable securities laws, forward-looking statements speak only as of the date on which they are made and the Company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.
